Newsletter 11 Term 3, Week 2

Together we learn, together we grow

From the Principal

I trust that all students, parents and staff enjoyed a wonderful holiday break. It was fantastic while on yard supervision seeing all of the excitement and enthusiasm that the start of a new term brings for us all. Especially pleasing was when I visited classes last week, it was great to see how quickly students were engaged with learning. As you will see in the term planner we have a busy term that includes: induction of the new SRC, Japanese Taiko Drummers, Ugly Bug Science Show, Book Week and Parade, School Closure (Show Day), Pupil Free Day, Numeracy Evening, Sports Day and Inter-school Athletics. We look forward to working with our school community so that we can have another fantastic term of learning at Roseworthy Primary School.

Mid-Year Reporting

A reminder that any parents who wish to discuss students' Mid-Year Reports are welcome to arrange meetings with teachers at mutually convenient times. This invitation is part of our reporting policy schedule as there are no scheduled parent and teacher meetings or reports this term.

STEM Facility

Students this week had their first lessons in our new facility. In coming weeks students will be developing agreed learning expectations in this highly collaborative space.

School Photos

In the next week we expect that families will receive their school photo packages. Please contact the Front Office if you have any questions regarding photos.

NAPLAN Online Trial Term 3 2018– Years 3, 5 and 7 Online

In preparation for our school undertaking NAPLAN online in 2019, we will have students undertaking trials in weeks 5 or 6 of this term, once advised. This week some staff will be attending training to ensure that the trial can run as effectively as possible. Please note: any student results from the implementation trial will not be provided to the school or students. This is because the trial is about ensuring that as a school we have the capacity, infrastructure and resources to effectively implement the NAPLAN online assessments in 2019.

Student Well-being and Engagement Surveys – Years 4 – 7

During weeks 2, 3 and 4 of this term students will be participating in these annual Department for Education surveys. If you have any questions and concerns about the surveys please don't hesitate to contact Angela Jenkins

Matt Saunders

RPS FUN RUN

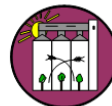

The Fun Run was held on Thursday the 5th of July, week 10. Everyone dressed in bright colours and brought in lots of heavy coins to try and win the prize. Music was played to help keep us motivated while we ran. The Upper Primary students ran 4 laps of their course and the Junior Primary ran 3 laps of theirs. Pop-sticks were collected to make sure that everybody ran their allocated laps. Once the Fun Run was completed by all of the classes, everyone was rewarded with an ice block to cool us down at the end of the day. The aim of the Fun Run was to raise money for the Salvation Army. The SRC Reps then weighed all of the coins collected by each class. Congratulations to Room 7 who won

Diary Dates

AUGUST	
7th	Numeracy Evening
16th	Taiko Japanese Drumming Performance
13th-17th	Science Week
20th-24th	Book Week
23rd	Book Week Parade

DOING THE MOST GOOD™

PCW

Hi! My name is Nadine and I am the new PCW. I am so excited to be here at Roseworthy Primary School. My regular days at school are Tuesday, Thursday and Friday for the remainder of 2018. I am here to help support wellbeing in the school community, and I can't wait to get to know the students and their families. I can be easily contacted via email: Nadine.Claye931@schools.sa.edu.au

Student Representative Council

We would like to congratulate the following students who have been voted in as our SRC Representatives and Deputies by fellow students.

Representatives

Rm 2: Isabelle B and Rhys S
 Rm 3: Chloe B and Alexander W
 Rm 4: Annabelle T and Brock P
 Rm 5: Ocea S and Nate G
 Rm 6: Charlotte L and Ben J
 Rm7: Lyla A and Jyrus C
 Rm 8: Mikaylah A nd Coehn S
 Rm 9: Claudia D and TJ H

Deputies

Rm 2: Addsiyn J and Braxton S
 Rm 3: Eva V and Olly R
 Rm 4: Sophie G and Nate D
 Rm 5: Mackenzie S and Archer J
 Rm 6: Chloe S and Jack D
 Rm 7: Tara F and Callum V

Rm 8: Madison B and Jackson T
 Rm 9: Mady D and Zaid C

2018 Numeracy Evening “Making Mathematicians” Tuesday, August 7th – Week 3

Roseworthy Primary School is again holding a Numeracy Evening, “Making Mathematicians”. It will be on Tuesday August 7th, from 4.45pm for a 5.00pm start with a sausage sizzle taking place from 4.30pm.

Numeracy Evenings are a chance for parents/caregivers to learn about Numeracy at Roseworthy PS and some numeracy ideas to use at home. You will also receive a goodie bag of maths related items and you might even win a door prize!

The evening will go for approximately one and a half hours. We will start with a brief outline of why Numeracy is important and what is happening in Numeracy at Roseworthy PS. **A new format for 2018** will offer a choice of Junior Primary, Middle Primary and Upper Primary focus sessions which will be repeated, so you may elect to attend *one or two* sessions of activities.

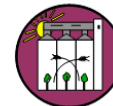

To help with planning, catering and purchasing goodies for the evening, we need an indication of numbers. An invitation for the evening has been sent home and we would appreciate if you could fill out the tear off slip on the reverse, indicating which sessions you’d like to attend and return it to school office by Monday, 30th July.

If you have any questions please speak to you child’s class teacher or Angela Jenkins.

Making Mathematicians Format

- **Sausage Sizzle** from 4:30pm
- **Introduction** - Activity Room (5:00 – 5:15pm)
- **Session 1:** JP, MP or UP (5:20 – 5:45pm)
- **Session 2:** JP, MP or UP (repeated) (5:50 – 6:15pm)
