Book Week

Thanks to the school community for your amazing support of Book Week. At Roseworthy PS it is such an enjoyable week with a positive focus on reading. This week supports our whole year reading improvement strategies. Some of the class displays that were shared amongst each room and learning tasks that class's did with Mrs Sandercock were simply brilliant.

Interschool Athletics

This week we have a team of over 30 students competing in Interschool Athletics from Years 4-7 which is exceptional given the size of our school. A sincere thanks to Mrs Bronwyn Lamont for coordinating this event for our school. On this day students have the opportunity to be selected for the Gawler Districts Athletics team.

School Closure and Pupil Free Day

A reminder that in Week 7 we have our show day (Monday) and Pupil Free Day (Tuesday). Please be aware that Happy Haven are operating on both days and are taking bookings now. For more information drop in and see them at 3:30pm in the BER Hall or contact them via phone on 0403 369 532 or email: roseworthy@happyhaven.com.au

Sports Day

Students are actively preparing for Sports Day in both specialist PE and classroom fitness lessons. Programs will be released prior to the day, but as always we aim to have some specific events scheduled held at the start and end of the day for families that are not able to come for the entire day.

Using your blue puffer more than 2 days in 7?

Don't rely on a quick fix!

asthmaaustralia.org.au/2daysin7 #2daysin7

Using your blue puffer more than two days a week is a sign of poorly controlled asthma.

Each year, 25% of people with asthma who only use a blue puffer and no preventer medication need urgent medical treatment after suffering a dangerous flare-up.

Don't rely on a quick fix!
